# ***THE TOMCAT***

## ***1974***

### ***Tom Bean High School***

### ***Tom Bean, Texas***

New buildings often begin new eras. It has been the good fortune of the Tomcat staff to try to depict the first year of a new era for Tom Bean High School.

It is the hope of the annual staff that the memories preserved in this book will be cherished in years to come as those preserved from the old era which ended in 1973.

# Dedication

The 1974 Tomcat staff proudly dedicates this yearbook to the girl's basketball team in grateful appreciation for the sportsmanship and skill you displayed in winning the district championship title, and to Mr. Steve Cooper, the girl's coach, for your leadership which was instrumental in winning the title. With this dedication, we also express the hope for a winning season next year.
